

FLINT AND DENBIGH HUNT BRANCH OF THE PONY CLUB

FIXTURE LIST

Autumn 2007

NOTICES

MUSICAL RIDE. The Flint and Denbigh are taking names for anyone interested in forming a musical ride for the summer of 2008. This is great fun but does require some commitment for practices, which will take place for several weeks beforehand. Contact Meg if you would like to take part.

ENDURANCE RIDING. Endurance riding is becoming very popular and the pony club is trying to promote members to take part. We are arranging a talk by two junior members of the pony club from Cheshire and then we hope to arrange a fun ride and training endurance ride (max 5 miles) for the spring of 2008. Please keep checking the Website and emails for further details. Jane Grindal

STOP PRESS

Approx 11.2hh (not measured) cream section A type (unregistered) mare, 8 years old, with blue eyes who was abandoned five years ago at the livery yard where I keep my horses, but ownership has been resolved so no issues there. She has been on loan as a companion pony, but the horse she was a companion to has recently been put to sleep. She has come back the livery yard, but really needs a home of her own. She will shortly be moved to a paddock but will be isolated and alone. She is good on the lead rein, and has been ridden out in light traffic and on bridleways by a 4yo girl. Good to catch, and has traveled in a trailer and lorry. Good in the stable and has worn a rug. She has been ridden in the field by a 10yo girl, and jumped small jumps, but is green off the lead rein, but not dangerous, just uneducated. She needs a knowledgeable home where she will be used. Available for long-term loan in a home with other horses, and probable eventual purchase for nominal amount. You tube video available. e-mail janet@costidell.freeserveco.uk for further details."
