

FLINT AND DENBIGH HUNT BRANCH OF THE PONY CLUB

FIXTURE LIST May 2008

NOTICES

Hunting with the Flint and Denbigh

We are extremely fortunate to have such a close link with the Flint and Denbigh Hunt. Not all Pony Club Branches are so lucky. The Flint and Denbigh Hunt have two pony club meets for members of our pony club to join them out hunting, which are always extremely well attended.

All children who wish to come hunting **on any other days than the Pony Club meets**, if aged 14 and over, should take their hunting certificate. We cannot emphasise enough how important it is. The Hunting Certificate teaches them how to behave correctly during a days hunting and it gives them a greater understanding of what goes on during the day. It also enables them to hunt without a mounted guardian. Any child under the age of 14 or not taking their Hunting Certificate must be accompanied by their parent/guardian. If however, we are hunting on your land and you wish your child to come out, please contact me.

It is your responsibility as parents, to accompany your child out hunting. **Hunt Subscribers should not be asked to look after your children**, (unless you have an agreement with someone). The hunt has kindly agreed to let a parent/guardian hunt for half the normal days cap. You must telephone the secretaries of the hunt Rachel Hughes for Tuesdays 01745 812177 or Pooch Spiller for Saturdays 01745 730443 if you are coming out.

Hunting can be a dangerous activity and sometimes the terrain can be extremely testing for both horse and rider. There have been occasions where children have come out, under the generous guidance of a member of the hunt, and incidents have happened. Some of them due simply to badly fitting tack. This may seem unimportant, but in the hunting field it can become a danger not just to your child/pony but everyone else around them too. We feel it has to be the responsibility of parents/guardians to accompany their own children whilst out hunting for any other days than the Pony Club Meets.

HUNTING CERTIFICATE

Congratulations to the following who gained their hunting certificate this time:

**Nicky Gray-Williams, Emma Lloyd-Jones
Charlotte Reed, Lois Roberts, George Sturla
Hayley Vaughan-Thomas, Alex Wilkinson**

Anyone who is 14 years old or above by 1st September 2008 must take their hunting certificate if they wish to hunt without a mounted guardian during the open season. The certificate includes 1-2 rallies, (one at camp doing gates) a written/oral test (during camp) and accompanied days hunting. You **must** do a **minimum of 3 days** hunting, but we would prefer to see you most weeks. This enables us to assess your ability out hunting much easier. It is a very serious certificate and you will not be awarded it unless we are absolutely sure you understand it all. Only 7 out of 16 passed this time, but the majority who took it didn't come hunting regularly, and we feel this is the only way you gain the relevant experience required. If you are taking your hunting certificate, as long as you let me know you are coming out - you do not need a mounted guardian!

If you were not successful last time, please put your name down again, we do not want to put anyone off; we just want you to be safe.

To put your name down or to ask any questions please contact Lucy Reed. I look forward to hearing from you all!

MINI CAMP

At the end of last year, Nicky Rae decided to step down as Mini Camp organiser. She has undertaken this task for the past *** years and we would like to say a huge "thank you" for rising to the challenge every year.

To organise this year's mini camp, we are going to set up a subcommittee and are looking for 2/3 parents from each area to join – if you are interested, contact your area secretary before 7th May.

NEW MEMBERS/PONY CLUB TEAMS

We have recently welcomed many new members to the Flint & Denbigh pony club. It is often confusing when you are new what to do if your child is interested in joining one of the teams. If this is the case, and as long as your child has attended 3 rallies, you should telephone or email the relevant team trainer to express their interest in joining a team. It is then at the discretion of the team trainer to select teams for the various competitions. PLEASE DON'T PHONE ANY OF THE TEAM TRAINERS AFTER 9PM.
